**The Executive Director, Resources Assessments
Department of Planning and Environment
GPO BOX 39
SYDNEY
NSW 2001**

Dear Sir

**This is a submission to the Hume Coal Project
and Berrima Rail Projects EIS 7172 and 7171.**

**My name is [REDACTED] and, together
with my wife [REDACTED], we have lived in Berrima
since June 2005.**

**We are greatly concerned at the very idea of the
establishment of a Coal Mine (SSD 7172) and
the proposed extension of a connected Railway
Link (SSD 7171) so close to Berrima in the
Southern Highlands.**

**We object to both these projects and strongly
recommend that they are rejected.**

We strongly urge the NSW Planning
Department to reject the proposals by Hume
Coal which is owned by Korean interests.

Yours faithfully
