Attn: Executive Director, Resource Assessments Department of Planning and Environment
GPO Box 39
Sydney NSW 2001

This is a submission to the Hume Coal Project EIS. SSD7172

I object to this project and recommend that it be rejected.

Water security, air pollution etc.
are certainly the main reasons for
objecting to this project.
However, the increased rail traffic
and consequential coal dust pollution
spread from one side of the shire
to the other and beyond are totally
unacceptable.

Yours Sincerely,

I ask the Government to reject this project
