**This is a submission to the Hume Coal Project SSD 7172**

I object to this project and recommend that it be rejected.

It is ridiculous to open a NEW  
small (on a world scale) with  
limited life span but PERMANENT  
detrimental effect on the Southern  
Highlands.

I am all for progress jobs &  
encouraging foreign investment BUT  
NOT AT A COST

Pollution, Noise & threat to the  
water table are major concerns

I ask the Government to reject this project
