Attn: Executive Director, Resource Assessments Department of Planning and Environment

GPO Box 39

Sydney NSW 2001

This is a submission to the Hume Coal Project EIS. SSD7172

I object to this project and recommend that it be rejected.

Firstly Children need their sleep and all the noise ~~will~~ will wake them up and they will have a bad education.
Secondly houses will be ruined and they will have to redo it. So in conclusion there should be no coal mining in the southern highlands

I ask the Government to reject this project

Signed,
