OBJECTION TO THE PROJECT

I have lived in Berriha for twenty years having retired from Sydney to this beautiful and tranquil village.

For the last six years, since the mine was proposed, the anxiety amongst locals has mounted considerably.

I am extremely angry that the government has allowed this to happen (and for very little monetary gain in the way of royalties) and allow to completely destroy what is one of the most beautiful parts of the country.

It can never be restored

It is not viable and doesn't make any sense.

What madness!
