REF: Opposing the Eagleton Hardrock Quarry Development

Application No: SSD7332

Location: Lot 2 DP1108702, Barleigh Ranch Way, Eagleton

Applicant: Eagleton Rock Syndicate Pty. Ltd

The Eagleton Residents Action Group wish to lodge an objection to the proposed Eagleton Hardrock Quarry. We feel this development is inappropriate for this location, due to its proximity to existing residents and location within the Grahamstown Dam catchment.

We object to this development on the following grounds:

- 1 Economic and Social Benefits
- 2 Water Management
- 3 Dust
- 4 Acoustic Impact
- 5 Traffic Issues
- 6 Environmental Impact
- 7 Personal Implications

Due to the length of the EIS and the short time E.R.A.G. had to assess the material a further more detail submission will be forwarded within fourteen days.

Regards

E.R.A.G.
