**REF: Opposing the Eagleton Hardrock Quarry Development**

**Application No: SSD 7332**

**Location: Lot 2 DP1108702, Barleigh Ranch Way, Eagleton**

**Applicant: Eagleton Rock Syndicate Pty. Ltd**

We are opposed to the development of the above quarry. We wish to lodge a formal and strong objection to the proposed Eagleton Hardrock Quarry as we are profoundly concerned about the impact of the quarry on our lifestyle, our health, our community and the natural environment.

We also feel this development is inappropriate for this location, due to its proximity to existing residents and location within the Grahamstown Dam catchment.

We object to this development on the following grounds:

- 1 Economic and Social Benefits
- 2 Water Management
- 3 Dust
- 4 Acoustic Impact
- 5 Traffic Issues

6 Environmental Impact

7 Personal Implications

Due to the length of the EIS and the short time we have had to assess the material a further more detail submission will be forwarded within fourteen days.

Kind regards,
