REF: Opposing the Eagleton Hardrock Quarry Development

Application No: SSD 7332

Location: Lot 2 DP1108702, Barleigh Ranch Way, Eagleton

Applicant: Eagleton Rock Syndicate Pty. Ltd

I am opposed to the development of the above quarry. I fully support the submissions from members of the Eagleton Residents Action Group (ERAG) and wish to lodge an objection myself to the proposed Eagleton Hardrock Quarry.

Due to the length of the EIS and the short time I have had to consider the material a further more detail submission will be forwarded within fourteen days as stated permissible by Michelle Kirkman and Matthew Sprott from NSW Government Planning and Environment

I object to this development on the following grounds including but not limited to:

- Noise
- Public safety
- Operations
- Traffic
- Local business
- Water Management

Yours faithfully,
