ATTENTION: PLANNING SERVICES

Dear Sir/Madam,

I am writing to show my support for the Martins Creek Quarry Expansion Project - SSD 6612.

I am a truck driver at Daracon and have been employed there for the past 7 years. As part of my employment we regularly cart quarry materials from Martin's Creek Quarry. I am part of a team of Daracon professional truck drivers that drive responsibly and follow the road rules, and are courteous to other road users. We are very respectful whilst travelling thru the township of Patterson.

I believe I speak on behalf of many of the 800 people employed at Daracon when I say that we rely on Martins Creek Quarry for our job security. Many of the projects I transport material too at work on rely on materials available from Martins Creek Quarry and our jobs and projects would be at risk should the expansion not proceed.

I have not made any reportable political donations.

Kind Regards,
