Dear Sir/Madam

Martins Creek Quarry Project SSD 14_6612 - Letter of Support

We write to confirm we have no objection to the Martins Creek Quarry Project.

In recent years, Daracon have sponsored the Maitland Show and have been keen supporters of the local community.

The proponent, Daracon, employs over 800 people, and is a significant employer of people from within the Hunter Region.

Martins Creek Quarry has been in operation for over 100 years and in that time has provided quarry products for road construction and maintenance, rail construction and maintenance, housing developments, airport runways and has employed hundreds of local employees over its lifetime.

We understand the EIS comprehensively addresses the Secretaries Environmental Assessment Requirements.

We also look forward to the continued support for our 2017 show in the form of sponsorship.

Yours faithfully,

Tony Lantry

President HRA & HA
