Martins Creek Quarry Project SSD 14_6612 - Letter of Support

ME & MJ Sweetman Holdings is pleased to provide support for the Martins Creek Quarry Project.

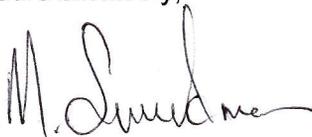

My company and I are local to the Dungog area and directly rely on the quarry. I have been involved with Martins Creek Quarry for the past 10 years, due to the nature of my business being transport of quarry materials I fully support the proposed expansion. Not only would my business be directly affected by restrictions imposed on Martins Creek but also flow on for other local businesses such as;

- Fuel Direct (Fuel Suppliers)
- O'neils (Tyres)
- Truck line , North Star Motors(Parts etc)

ME & MJ Sweetman Holdings recognises that Martins Creek Quarry has been in operation for close to 100 years and in that time has provided quarry products for road construction and maintenance, rail construction and maintenance, housing developments, airport runways and has employed hundreds of local employees over its lifetime.

ME & MJ Sweetman Holdings support this proposal as a local business.

Yours sincerely,

Merv Sweetman
