ATTENTION: PLANNING SERVICES

Dear Sir/Madam,

My name is Jason Fox and I'm a Landscape Supervisor for Daracon Landscaping and I am writing to show my support for the Martins Creek Quarry Expansion Project - SSD 6612.

I believe I speak on behalf of many of the 800 people employed at Daracon when I say that we rely on Martins Creek Quarry for our job security. I have worked for Daracon for over 28 years and many of the projects I work on rely on materials available from Martins Creek Quarry such as for our biofiltration basins at McKeachies Run at Rutherford and Boolaroo and our chances of winning jobs and projects in the future and therefore my position would be at risk should the expansion not proceed.

I have not made any reportable political donations.

Kind Regards,
