To whom it may concern,

I am writing this letter in support of the proposed Martins Creek Quarry expansion project. Application number SSD 6612.

I have been employed by Daracon group for over 25 years. As a long term employee of Daracon I have been lucky enough to have been employed continuously through hard times, through the down turn in the mining industry and the GFC. Daracon employs over 800 people and the Martins Creek Quarry expansion provides job security to many of us working for Daracon.

In my role as Superintendent I use the Martins Creek Quarry materials on site. They are of extremely high quality and meet the required specifications requested by our clients.

Clients include, all local Councils, Rosegroup and Stocklands.

I have not made a reportable political donation.

Kind Regards,

Garth Charlton
