Martins Creek Quarry Project SSD 14_6612 – Letter of Support

Gresford Rodeo Supports the Martins Creek Quarry Project

Daracon have been sponsors of the Gresford Rodeo for the past two years. We have found Daracon to be eager to support our local community Rodeo.

We note the quarry has been in operation for 100 years and is a key supplier of materials for rail construction, and supplies materials to local councils., including Dungog Council for road maintenance and construction activities.

Materials from the Martins Creek Quarry are also used in the residential housing developments within the Hunter Region.

Thank you,

Mick Kealy
