

# PHOTOS OF TOCAL RD BOLWARRA HEIGHTS

These photos are submitted to support my **objection** of the Martins Creek Quarry expansion application.

The photos are of Tocal Rd over a narrow winding section between Paterson Rd and Maitland vale Rd, approx 1km long.

Submitted by Paul  
O'Donohue 22/11/16

Typical fully laden double quarry truck (50 tons approx) travelling south at 60km/h

Typical fully laden double quarry truck (50 tons approx) travelling south at 60km/h

Typical fully laden double quarry truck (50 tons approx) travelling south at 60km/h or more past school children waiting for their bus

# Some local residents standing on the footpath of Tocal Rd in PROTEST of the Martins Creek Quarry increased truck movements

# The very busy intersection of Paterson Rd and Tocal Rd

And they just keep truckin through....
