To whom it may concern,

I am writing this letter in support of the proposed Martins Creek Quarry expansion project. Application number SSD 6612.

I have been employed by Daracon group over 5 years. As a long term employee of Daracon I have been lucky enough to have been employed continuously through hard times, through the down turn in the mining industry and the GFC. Daracon employs over 800 people and the Martins Creek Quarry expansion provides job security to many of us working for Daracon.

My position within the Daracon group as a Agi truck driver would be directly affected. Daracon has one of the three quarries in the local area that supplies concrete aggregates.

I have not made a reportable political donation.

Kind Regards,
