Dear Sir/Madam,

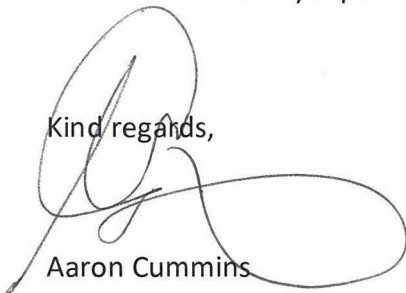

I am writing to show my support for the proposed Martins Creek Quarry Expansion Project (Application SSD 6612).

I am an employee of Daracon and have been for over 10 years. The Martins Creek Quarry plays an important role within Daracon's operations and the expansion has the ability to provide job security for many of us working for Daracon.

As a Hunter Valley resident, I also recognise the benefit that the Quarry provides to the local community in terms of jobs, construction material supply to the construction industry but also the smaller community groups that Daracon supports.

I have not made any reportable political donations.

Kind regards,

Aaron Cummins
