To whom it may concern.

I am writing to show my support for the proposed Martins Creek Quarry Expansion Project (Application SSD14 \_ 6612).

As an employee of Daracon Group, I rely on the Martins Creek Quarry Expansion for my job security. The quarry provides materials required in many of our projects and without the quarry, some of our projects would not be commercially viable and would not proceed.

I have worked for Daracon as a driver for over 5 years and hope to continue for many years to come. Daracon has introduced a code of conduct that all of the drivers must follow. This shows that Daracon has listened to the local community and put actions in place to minimise the impact of the quarry.

I have not made any reportable political donations.

Yours sincerely,

Colin Daw
