Dear Sir/Madam,

I support the Martins Creek Quarry Expansion Project (Application No. SSD 6612).

I have been employed by Daracon group for over 14 years. I believe I speak on behalf of many of the employees when I say that we rely on Martins Creek Quarry for many of our projects, and also for our jobs. I don't work directly at Martins Creek, but the projects I work on rely on materials available from Martins Creek Quarry and our jobs and projects would be at risk should the expansion not proceed.

As one of the 800+ employees of Daracon, I support the Martins Creek Quarry Expansion Project.

I have not made any reportable political donations.

Kind Regards,

Darryl Dickson
