Martins Creek Quarry Project SSD 14_6612 - Letter of Support

Dear Sir

I support the Martins Creek Quarry Project.

I currently work as a truck driver transporting materials from Martins Creek Quarry to various worksites in the Hunter and surrounds, from residential housing developments to road maintenance and construction. Martins Creek Quarry provides significant amounts of material to Councils for road maintenance and construction.

I am concerned should the quarry project not be approved my job may be in jeopardy.

If the quarry is not approved or has a reduction in the amount of product that can be quarried, we fear our level income will be impacted.

We are signatories to the Voluntary Code of Conduct which demonstrates our commitment to addressing issues raised by the local community and demonstrates our professionalism.

We would like to confirm our support for the Martins Creek Quarry Project.

I have not made a reportable political donation.

I wish for my details not to be made public.

Yours sincerely
