ATTENTION: Planning Services

I write this letter to lodge my support for the Martins Creek Quarry Expansion Project (SSD 14_6612).

I have worked for Daracon for over 13 years and whilst this project is important to me, it is also important to the 800+ other Daracon employees and our families. Daracon employs over 800 people and Martins Creek Quarry provides materials to many of the projects that Daracon employees work on. Without this Quarry, our jobs are at risk.

My job is directly at risk as I am employed as a truck driver.

I support the Martins Creek Quarry proposed expansion project and the security it provides to Daracon employees.

I am also a local resident in the Hunter Valley region and I understand the importance of the quarry to grow, especially in recent times with the mining down turn.

I have not made any reportable political donations.

Yours faithfully,

Brett Elliott
