To Whom It May Concern

I am writing to show my support for the proposed Martins Creek Quarry Expansion Project (Application SSD 6612).

My name is Damien Grosser and as an employee of Daracon Group, I rely on the Martins Creek Quarry Expansion for my job security. I have worked for Daracon for over 13 years and hope to continue for many years to come.

Not only does Martins creek Quarry play a very big part in supplying the necessary materials for major infrastructure projects the quarry provides to many of our projects that I work on, and without the quarry some of our projects would not be commercially viable and would not proceed.

We also employ many subcontractors that would also be impacted by this decision. It is for these reasons that I support the Martins Creek Quarry expansion project.

I have not made any reportable political donations.

Yours sincerely,

Damien Grosser
