I am writing to show my support for the proposed Martins Creek Quarry Expansion Project (Application SSD 6612).

As a contractor working for Daracon Group, I rely on the Martins Creek Quarry Expansion for my job security. The quarry provides the jobs materials required in many of our projects and without the quarry, some of our projects would not be commercially viable and would not proceed, putting me and 1000 other contractors at risk.

I have not made any reportable political donations.

Yours sincerely,

John Hason
