Dear Sir/Madam,

I am writing in support of the Martins Creek Quarry Expansion Project (SSD 6612) as proposed by Daracon Group.

I am lucky enough to be recently employed by Daracon Group. I am excited about the opportunity this gives me to expand my skills and knowledge with a reputable company such as Daracon. If Daracon can't grow the company I will be concerned for my job and that of my work mates.

The closure of this Quarry would greatly impact future infrastructure projects but also the 800 employees of Daracon.

I have not made a reportable political donation.

Yours faithfully,

Adrian Hoffman
