To the Department of Planning and Environment,

I would like to formally lodge my support for the Martins Creek Quarry Expansion Project (SSD 6612).

I work for Daracon group as a truck driver for the quarry so this decision directly affects my employment and my future job security at Daracon. I am a long term employee of Daracon's (23 years) and hope to continue my employment for many more years to come.

Martins Creek Quarry services not only external clients but many of Daracons own projects rely on the materials from the Quarry. Any changes to the supply change; impact the commercial viability of projects and this has a flow on affect all the way down to the employees.

I have not made any reportable political donations.

Yours faithfully,

A handwritten signature in black ink, appearing to be 'DH' with a large loop and a trailing flourish.
