Dear Sir/Madam,

I support the Martins Creek Quarry Expansion Project (Application No. SSD 6612).

I have been employed by Daracon group for over a year. I believe I speak on behalf of many of the employees when I say that we rely on Martins Creek Quarry for many of our projects, and also for our jobs. I don't work directly at Martins Creek, but the projects I work on rely on materials available from Martins Creek Quarry and our jobs and projects would be at risk should the expansion not proceed.

As one of the 800plus employees of Daracon, I support the Martins Creek Quarry Expansion Project.

I have not made any reportable political donations.

Kind Regards,

Bradley Jarvis
