Martins Creek Quarry Project SSD 14_6612 – Letter of Support

Dear Sir

I support the Martins Creek Quarry Project.

I currently work as a truck driver transporting materials from Martins Creek Quarry.

The quarry employs many people – both directly and indirectly – and any reduction in product being transported from the quarry will impact on many local businesses. This would also impact the level of employment.

The quarry has been operating for 100 years, with materials from the quarry being used in construction and also used by local landholders for access roads and driveways.

I also am concerned should the quarry project not be approved our jobs may be in jeopardy.

We are signatories to the Voluntary Code of Conduct which demonstrates our commitment to addressing issues raised by the local community and demonstrates our professionalism.

I have not made a reportable political donation and I wish for my details not to be made public.

Yours sincerely

Ian Lochhead
