Attn, Director Resources Management

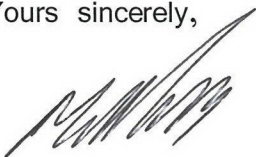

I am writing to show my support for the proposed Martins Creek Quarry Expansion Project (Application SSD 6612).

As an employee of Daracon Group, I rely on the Martins Creek Quarry Expansion for my job security. The quarry provides materials required in many of our projects and without the quarry, some of our projects would not be commercially viable and would not proceed.

I have worked for Daracon for almost 1 year and hope to continue for many years to come.

I have not made any reportable political donations.

Yours sincerely,
