To whom it may concern,

I write this letter in support of the Martins Creek Quarry Expansion Project (SSD 6612).

As an employee of Daracon for over 5 years this project is important to me. I work with the products that come from the Martins Creek quarry.

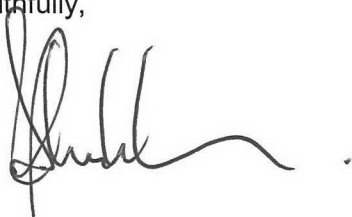

We rely on the high quality products to be able to produce the best concrete possible. This has been proven with the growth of the Daracrete business.

I also believe the Quarry plays an important role within the community and the Hunter Valley area. The construction industry relies on the Quarry as one of only a couple of hard rock suppliers in the region and if the Hunter Valley is to prosper and grow, Martins Creek Quarry will be required to provide the necessary materials for major infrastructure projects.

I support the Martins Creek Quarry proposed expansion project.

I have not made any reportable political donations.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'Paul', with a long horizontal flourish extending to the right.
