To whom it may concern,

I am writing to show my support for the proposed Martins Creek Quarry Expansion Project – SSD 6612.

I am an employee of Daracon Group and have been for almost 10 years. The Martins Creek Quarry plays an integral role within Daracon's operations and the expansion has the ability to provide job security for many of us working for Daracon.

If the company faces hardship it's us that suffer. We risk losing our jobs and/or not receiving future pay increases.

I have not made a reportable political donation.

Yours sincerely,
