Dear Sir/Madam,

WE OPPOSE THE MARTINS CREEK QUARRY EXPANSION.

We strongly oppose any increase in heavy truck
movements on Brandy Hill Drive + surrounding
roads. These roads were never designed for the
amount of heavy trucks that use them already.
They are under extreme pressure + accordingly
are in very poor condition.

The noise from these large truck + dogs
thundering through our community with
little regard for road rules + speed limits
has already degraded our lives.

The increased noise from extra heavy
trucks will be a nightmare for many people.
PLEASE GIVE US A FAIR GO.

Do not allow more heavy trucks to use these
roads.

We have not made a reportable Political
Donation.

Yours sincerely,
