MARTINS CREEK QUARRY EXPANSION - Application No SSD – 16\_6612

Dear Sir/Madam

I oppose the Martins Creek Quarry Expansion for the following reasons –

1. Non-existence of Infra-structure i.e. roads and bridges for safe transport of proposed quantities of blue metal from Martins Creek Quarry to delivery destination/s.
2. Severe disruption to residents and businesses in township of Paterson by 80 truck movements per hour.
3. Query contaminated creek water flowing into Paterson River from quarrying activity.

NB. I have not made a reportable political donation.

Signed
