Dear Sir/Madam,

I support the Martins Creek Quarry Expansion Project (Application No. SSD 6612).

I have recently been employed by Daracon group as a Crusher & Screener. I believe I speak on behalf of many of the employees when I say that we rely on Martins Creek Quarry for many of our projects, and also for our jobs. I work directly at Martins Creek and other quarries as required, the projects Daracon work on rely on materials available from Martins Creek Quarry and our jobs and projects would be at risk should the expansion not proceed.

As one of the 800+ employees of Daracon, I support the Martins Creek Quarry Expansion Project.

I have not made any reportable political donations.

Kind Regards,

B ELDER
