To Whom It May Concern,

I would like to lodge my support in relation to the Martins Creek Quarry Expansion Project as proposed by Daracon Group (SSD 6612).

I have been an employee of Daracon for over 3 years and in my role as a truck driver I deliver stemming material from the Martins Creek Quarry to mines within the Hunter Valley region.

Daracon has the largest fleet of specialised stemming trucks in the Hunter which mainly carry stemming material from the Martins Creek Quarry to mines within the Hunter.

I support Daracon's Martins Creek Quarry Project as it offers employment opportunities to the local region.

I have not made any reportable political donations.

Kind Regards,

Mark Whipps
