ATTENTION: Director Resources Management

I write this letter to lodge my support for the Martins Creek Quarry Expansion Project (SSD 6612).

I have worked for Daracon for 1 year and whilst this project is important to me, it is also important to the 800+ other Daracon employees and our families. Martins Creek Quarry provides materials to many of the projects that Daracon employees work on. Without this Quarry, our jobs are at risk.

I support the Martins Creek Quarry proposed expansion project and the security it provides to Daracon employees.

I have not made any reportable political donations.

Yours faithfully,

Leigh Mitchell
