Dear Sir or Madam,

I oppose the Mackinac Creek Quarry Expansion, wish to voice our concern in regard to this expansion.

Our opposition is on the grounds of extra truck movements along Brandy Hill Drive.

We feel this would degrade our current lifestyle as we know it - for example - our bedrooms are upstairs & all noise travels upwards. This would make sleeping very difficult if windows were open in summer.

Truck movements from this Quarry already appear to start at 5am, sometimes are still returning between 6-45 & 7pm.

2
An increase ⁽²⁾ to these truck movements from early mornings with empty trucks rattling past before 5am would be an intolerable situation, an increase would be unbearable.

This goes without saying the additional sub-contractor trucks would also be involved with these extended hours of operation. The quality of their trucks sometimes leaves a lot to be desired.

Truck noise, additional braking all these add up to an intolerable situation.

We have trouble now exiting our property; this will only get worse..

The residents living in Brandy Hill are also subject

to the expansion³ of Brandy
Hill Quarry, so we will be
subjected to their trucks
up & down Brandy Hill Dr,
possibly over a 1,000 a day at
peak times.

It seems totally unfair that
we should be subjected to
24 hr operations & surely there
should be some time limits
imposed on these Quarries.
Would you please consider
these requests as we are all
very concerned.

From D. Mr. Payer
