ATTENTION: Planning Services

To the Department of Planning and Environment,

I would like to lodge my formal support for Martins Creek Quarry Expansion – SSD 6612.

The Martins Creek Quarry Project has provided my family and I with job security and stable employment for the past 7 years. The local stemming industry that the quarry sustains is invaluable to many Daracon employees, including myself.

I believe the Quarry plays an important part within not just the Daracon group but also in the supply of materials to many projects within the Hunter Valley area and to numerous local businesses. It is for these reasons that I am in support of the expansion.

Regards,

David McGrath
