ATTENTION: Planning Services

I write this letter to lodge my support for the Martins Creek Quarry Expansion Project (SSD 6612).

I have worked for Daracon for almost 5 years and whilst this project is important to me, it is also important to the 800+ other Daracon employees and our families. Daracon employs over 800 people and Martins Creek Quarry provides materials to many of the projects that Daracon employees work on. Without this Quarry, our jobs are at risk.

I support the Martins Creek Quarry proposed expansion project and the security it provides to Daracon employees.

I have not made any reportable political donations.

Yours faithfully,

Darren Blissett
