ATTENTION: Planning Services

I write this letter to lodge my support for the Martins Creek Quarry Expansion Project (SSD 6612).

I have worked for Daracon for over 6 years and whilst this project is important to me, it is also important to the 800 or so other Daracon employees and our families

Martins Creek Quarry provides materials to many of the projects that Daracon employees work on. Without this Quarry, our jobs are at risk.

My job is that of a Quarry Worker, so my job is at risk should this expansion not go ahead. Even if it goes ahead, but has restrictions put in place my job will be affected. The Quarry industry is hard enough to get into, with taking another quarry away.

I support the Martins Creek Quarry proposed expansion project and the security it provides to Daracon employees.

I have not made any reportable political donations.

Yours
