To whom it may concern,

I am writing to formally lodge my support in relation to the Martins Creek Quarry Expansion Project as proposed by Daracon Group (**SSD 6612**).

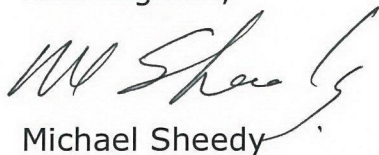

I work for Daracon Group as a Stemming Truck Driver and the aggregate that we supply to the local Hunter Valley mines is heavily reliant on Martins Creek Quarry.

The Quarry is one of only three hard rock suppliers in the region and many industries within the Hunter Valley (not only mining) rely on the quality product available from Martins Creek Quarry.

I support the Martins Creek Quarry proposed expansion project.

I have not made any reportable political donations.

Best regards,
