Dear Director,

My name is [REDACTED]

I am 9 years old.

This is my submission in response to the exhibition of the EIS for NorthConnex.

Firstly I would like to say that like my Dad and Mum I object to the project as described in the EIS.

I currently go to Prouille, and will later attend Knox.

My problem with the tunnel project is that I don't want to go to school next to a polluting stack.

I simply ask you to move the stack to a safer area.

Thank you.
