

I endorse the "SCAPS Group Submission #1 dated 6th August 2014 Complete" and request SCAPS add my endorsement to their submission.

I confirm that:

1. I have read the Department of Planning Privacy Statement which sets out:
 - how personal information is defined under the PPIP Act - it includes but is not limited to your name, address, and email address;
 - the purposes for which the department collects personal information; and
 - how personal information collected by the department will be used.
2. I agree to the Department of Planning using my submission in the ways described in their Privacy Statement. I understand this includes full publication on the Department's website of my submission, any attachments, and any of my personal information in those documents, and possible supply to third parties such as state agencies, local government and the proponent.
3. I have read Parts 3 and 4 of the Department of Planning's Disclosure of Political Donations and Gifts and I confirm that I have NOT made a reportable political donation.
4. I do NOT want my name published in the list of submitters on the Department of Planning website. I understand "Name withheld on request" will appear on the list, instead of my name.
5. I am making a personal submission endorsing the SCAPS Group submission. My submission is not a submission on behalf of another organisation.
6. By choosing to send this email to SCAPS I agree to all of the above statements.
