Dear Sir/Madam

NorthConnex Application No. SSI 13_6136

Please find below my submission in response to the EIS for NorthConnex.

I would like to state my concerns regarding the project :

1. The effect the project will have on my residence – 4/2 Burns Road, Wahroonga.
2. The effect the project will have (and is already having) on our Strata No. SP54857.
Also the lack of communication with our Strata regarding this.
3. The noise and disruption during the construction period.
4. Placement of the Northern Ventilation Stack in Wahroonga.

Yours faithfully

Peggy L'Estrange
