Dear Sir,

Application number - SSI 13\_6136

My name is Aimee I am 10 and I live in Wahroonga. I go to school at Prouille Catholic Primary School. I was born with a very serious heart condition. I know about the smoke stack being built in the middle of Wahroonga. Equilibria has come up with a great idea that is great for everybody. Instead of having a hill in the tunnel, the Equilibria idea is to make the tunnel flat and move the smoke stack away. It provides housing that is close to Wahroonga train station, clean air for everybody and more money for the government and Transurban!

I think the Equilibria idea is the best for everyone so please take notice of it.

Yours sincerely, *Aimee*
