Dear Ms Graham

NOTICE OF EXHIBITION FOR EUROBODALLA SOUTHERN STORAGE, EUROBODALLA, SSD 7089

Reference is made to your correspondence received 27 September 2018 notifying the Heritage Council of NSW of the exhibition of and inviting comment on the above-mentioned State Significant Development which includes the construction and operation of an off-stream water supply storage facility and associated ancillary facilities. The following reports were considered in our assessment:

- Eurobodalla Southern Storage Water Supply, Archaeological Assessment and Aboriginal Cultural Heritage Assessment, prepared by Navin Officer, dated August 2018.
- Eurobodalla Southern Storage Water Supply Environmental Impact Statement, prepared by SMEC, dated 27 August 2018.

The subject site is not within the curtilage of any State Heritage Register (SHR) items nor have any historical archaeological sites been identified. No specific comments are provided as no impacts to SHR items or State or local archaeological remains have been identified. The recommendation for an unexpected finds procedure for the project is supported.

If you have any questions regarding the above matter please contact Rebecca Newell, Archaeologist, at the Heritage Division, Office of Environment and Heritage, on (02) 9873 8632 or by email at Rebecca.Newell@environment.nsw.gov.au.

Yours sincerely
