Dear Ms Leung,  
Having only recently learnt of the redevelopment plans Mirvac has submitted for the historic Eveleigh locomotive workshops, SSD 17-8517 and SSD 17-8449, I would greatly appreciate an extension of time in order to make a submission about the redevelopment proposal. I would like to thoroughly look through the accompanying documentation before I make my submission. I appreciate your understanding in this matter and hope I will be able to make my submission soon. Please let me know if a short extension of time is possible? Thank you.  
Kind regards,
