Dear Ms Bellamy

**Paling Yards Wind Farm (MP 10\_0053)  
Notice of exhibition**

Thank you for the opportunity to comment upon the Environmental Impact Statement for this proposal. This response is from the Mineral Resources Branch (MRB) of NSW Trade & Investment. Other agencies of the department may forward separate correspondence regarding this matter.

MRB has no concerns with the EIS as the proposed wind farm does not occur in proximity to any recognised state or regionally significant mineral resource. Any future requests for advice in relation to this matter should be directed to the MRB Land Use team at [landuse.minerals@industry.nsw.gov.au](mailto:landuse.minerals@industry.nsw.gov.au).

Yours faithfully
