PALING YARDS WIND FARM 10 MP 0053.

OBJECTION (1) Paling Yards Wind Farm  
Transmission line - Connection into MTPIPER -  
BANNABY TRANSMISSION 500KV LINE - MAP on Public  
Exhibition; Only shows one Route for the line - NOT two as  
shown on maps supplied to me By Union Fenosa.  
Proposed line on Exhibition crosses my Property THE BROTHERS  
on High Country.

The second Proposed line on Union Fenosa MAP - crosses  
my Property HillTOP on low LAND Joining MT Pipet  
Bannaby 500KV line at another location  
If both Proposed Transmission sites be  
Environmentally Impact assessed.

MOUNT DEFIANCE

TARAHA NSW 2580

28/5/14

PALING YARDS WIND FARM NO 10 MP 0053.

Objection ②

Environmental Impact on my Properties adjoining  
Paling Yards Wind farm.

"The Brothers" and "Hilltop"; That has  
Beautiful Panorama Views - AUTUM SPRING and Summer Time  
near and distant land looking over the ABERCROMBIE  
RIVER. With morning Fog clouds rising along the River Tapped  
in sunlight - Beautiful Spring and Summer Sunsets.  
Scenery is just magnificent - which will be lost  
by the PALING YARDS WIND FARM.

Impact to my Properties may BE LESSEND - If ?  
The Towers and Turbines are a colour Blending with  
natural Environment Country and SKY Scenery.
