Dear Sir/Madam,

**PROPOSED PHYSICAL EDUCATION PRECINCT FOR ST JOSEPH'S COLLEGE IN MARK STREET, HUNTERS HILL**

Reference is made to the Department's correspondence dated 15 October 2018, regarding the abovementioned Application which was referred to Roads and Maritime Services (Roads and Maritime) for comment in accordance with the *State Environmental Planning Policy (Infrastructure) 2007*.

Roads and Maritime has reviewed the submitted information and noted that the proposal does not increase in student enrolment and staffing however it would increase the number of on-site car parking by 55 car spaces.

Based on the above, Roads and Maritime raises no objection to the proposed development.
