Dear Sir/Madam

**Re: Public Exhibition Proposed Northern Road Upgrade – Mersey Road to
Glenmore Parkway - Application number SSI 15_7127**

I refer to the Environmental Impact Statement accompanying the subject project and the public exhibition of the same and general invitation to comment thereon.

The proposed road upgrade is supported by Council as an important element in servicing existing local communities and local development, the proposed Western Sydney Airport, the South West Priority Growth Area and importantly broader district level travel and transport aspirations.

Council encourages the expeditious construction of the proposed road upgrade in a timely and environmentally sensitive manner, as part of a more comprehensive transport network.

Yours sincerely
